THE ERROR OF DEVELOPMENT

The Chief Culprits: The new colonisers
- Foreign Governments & Aid Donors
- Multinational Corporations (Public and State Owned)
- Multilateral Organisations e.g. World Bank

Their model of development. The core problem
- Education System
- Direct Lobbying
- Policy, Trade, Legal Frameworks
- Media
- Religion

The systems they use to influence us

The People they target

Corruption is the mechanism used to get access to the resources they need to fuel their own wealth and economic growth

The impacts and problems created for families
- Loss of Culture & PNG Ways
- Environmental Destruction
- Violence Against Women
- Poor Health & Education Services
- Exploding Population
- Stealing from the Public Purse
